## Personal Spellings List

Remember to review at the optimum times if you can :

```
1 Within 24 hours
2 + 24 hours
3 + 1 week
4 + }1\mathrm{ month
5 + 3 months
```

Write each word to be learnt clearly and really concentrate on it! Look for patterns, count syllables and vowels, visualise any tricky parts, spell it aloud, write it somewhere else, try writing it with your other hand.
