

FIRST YEAR (1st mod lang)

YEAR PLAN

There are 3 lessons of 45 minutes per week.

French is taught to pupils of three 1st year (year 7) forms, who will be put into sets according to their knowledge of French and general ability in language.

There will be an initial general assessment by the teachers and a test will be conducted in the second week of term in order to establish sets.

Assessments types will be common to all groups, but the content will be adapted to the level of the group.

“Allons –Y” MGP magazine will available for use in class: 6 copies per year and listening material is digitised for use in the MMC. “A la Carte” provides reading practice, differentiation needs and cover material.

Metro Electro is available in classrooms and MMC.

See full schemes of work for objectives, programmes of study, topics, grammar, key language and skills.
